Each section first includes a summary that lists communities offering opportunities and a map showing where the communities are located. Specific opportunities are then listed by community and include the following:

- Community population (2020 US Census Bureau data)
- Total number of acute care hospital beds (2021)
- Location of the opportunity by region of Iowa as indicated by the initials below the city name, i.e., Northwest (NW), North Central (NC), Northeast (NE), Southeast (SE), South Central (SC), and Southwest (SW).
- Type of practice and/or specialty area of the practice opportunity
- Contact information for the practice opportunity. Each contact to the right of the community information represents at least one opportunity in the city listed. E-mail addresses are provided when available
