# **Physician Consultation Services**

## **Medical Practice Development Program**

The Office of Statewide Clinical Education Programs provides consultative services to physicians interested in Iowa medical practice opportunities. The services include:

- Advice on practice site selection criteria based on provider preference
- Community profiles and physician rosters
- Confidential inquiries regarding specific practice opportunities
- Identification of important considerations concerning specific opportunities
- Practice management consultations
- Negotiation assistance with established physicians, hospital representatives, and community recruitment groups
- Substantive reviews of physician contracts

Access all Directories at:  
**<http://www.medicine.uiowa.edu/oscep/opportunities/>**

# How to Use the Directory

Each community listing includes the following:

- Community population (2020 US Census Bureau data)
- Total number of acute hospital beds as of September 24, 2025
- Location of the opportunity by region of Iowa as indicated by the initials below the city name, i.e. Northwest (NW), North Central (NC), Northeast (NE), Southeast (SE), South Central (SC), and Southwest (SW)

Contacts for opportunities are listed to the right of the city information. Multiple types of opportunities for one contact are identified by bullet points. For example, if a contact has office-based and hospitalist opportunities in the same community, both types of opportunities are listed under the contact with separate bullet points.

All opportunities are part of an integrated health system unless otherwise specified by an asterisk to the right of the contact person's name indicating whether the opportunity is an independent practice or a multisite group practice.

- “ \* ” indicates that the opportunity is in a multi-site multispecialty group practice, exclusive of hospital sponsorship.
- No asterisk indicates that the opportunity is part of a health care delivery system, integrating both physicians and at least one hospital in some form.

**Multi-Specialty Physician Practice Opportunities**
